# COURSE INTRODUCTION

This 2 Year skills based Diploma provides candidates with a thorough knowledge of the garment technology principles of patternmaking and garment construction in combination with fashion illustration and design methods. Elementary computer skills are explored culminating in the ability to develop your own website by the end of the second year. Foundation principles of fashion business and marketing are also included. The ideal candidate for this program is an aspirant designer who has a desire to produce their own garments and specialise in garment construction and patternmaking. With the resurging growth in the manufacturing sector in South Africa it has been recognised that there is a large demand for skills trained professionals in this sector.

## **CAREER OPPORTUNITIES INCLUDE:**

- Entrepreneur in Fashion
- Designer Assistant
- Patternmaking
- Manufacturing Sector
- Wardrobe Assistant in the film and television industry
- Fashion Assistant in the editorial sector
- Stylist

This is not a national credit bearing course, and is not registered with the South African Qualifications Authority. However, it provides a useful entry into the entrepreneurial or manufacturing arena.
